You may be surprised about what you are able to afford based on income and assets. KBB.com 10 Best SUVs Under \$25,000. Scores 26 Highway MPG and 18 City MPG! This Kia Sorento boasts a Regular Unleaded V-6 3.3 L/204 engine powering this Automatic transmission. The Experts Verdict...As reported by The Manufacturer Summary: The 2016 Kia Sorento has been redesigned with a sleeker, more sculpted exterior. It has a wider stance and longer wheelbase for an even more versatile cabin space with available seating for up to seven. The automatic and intuitive available hands-free Smart Power Liftgate opens when it senses your smart key, the liftgate can even be adjusted to your height preference making it easier to close. The Sorento comes with a choice of 3 engines including a 2.4L with 185hp, a 2.0L turbo engine making 240hp, and a 3.3L V6 producing 266hp. With the available Dynamax All-Wheel-Drive system, the Sorento delivers a smooth, refined drive even on rough roads and combined with the V6 engine can tow up to 5,000lbs. The spacious cabin is clean and modern featuring available heated and ventilated seats with nappa leather trim, a 14-way power adjustable driver's seat, a panoramic sunroof, and up to 8 available power outlets. The standard cloth seats are designed by YES Essentials and feature soft, quick-drying fabric that resists stains, reduces static, and even helps eliminate odors. With UVO eServices you have in-car connectivity based on the capabilities of your personal device on an 8 inch touch screen. Features can include internet radio, navigation, a rear-camera display, and parking minder which can track where you parked your car with the assistance of your smartphone. The Clar-Fi and 10 speaker Infinity Surround Audio System bring you rich, clear sound as it was meant to be heard. Safety features include available blind-spot detection, back-up warning systems, lane departure warning systems, and advanced smart cruise control. Passive features include the all-new body constructed with 58% advanced high-steel and advanced airbags. Stop By Today Test drive this must-see, must-drive, must-own beauty today at PRO X MOTORS ,.

All advertised prices are cash prices, which exclude the following: government fees and taxes, finance charges, dealer document preparation charges, and emission testing charges. We strive to ensure the accuracy of the prices posted on our website; nevertheless, we are not responsible for any typographical and/or other errors that may appear on the site. We work tirelessly to provide our customers with the latest and most up-to-date information; however, it is the consumer's responsibility to verify that all details listed are accurate. We are not responsible for typographical, pricing, product, advertising and/or shipping errors. Advertised prices and available quantities are subject to change without notice; therefore, customers are advised to call and speak with one of our representatives to confirm the price and availability of the desired vehicle. All rates and offers are dependent on bank approval. Bank approvals vary based on the applicant's credit score, as well as the selected vehicle. The pricing is guaranteed to be extremely aggressive and allows us to provide our customers with a stress-free purchase environment. Some used vehicles may have unrepaired safety recalls. Customers may check the recall status by the vehicle identification number (VIN) on the following site: www.safercar.gov. At their own expense, customers are eligible to hire a third party mechanic to perform a pre-sale inspection on the selected vehicle, which can be done on or off the premises.
