All advertised prices are cash prices, which exclude the following: government fees and taxes, finance charges, dealer document preparation charges, and emission testing charges. We strive to ensure the accuracy of the prices posted on our website; nevertheless, we are not responsible for any typographical and/or other errors that may appear on the site. We work tirelessly to provide our customers with the latest and most up-to-date information; however, it is the consumers responsibility to verify that all details listed are accurate. We are not responsible for typographical, pricing, product, advertising and/or shipping errors. Advertised prices and available quantities are subject to change without notice; therefore, customers are advised to call and speak with one of our representatives to confirm the price and availability of the desired vehicle. All rates and offers are dependent on bank approval. Bank approvals vary based on the applicants credit score, as well as the selected vehicle. The pricing is guaranteed to be extremely aggressive and allows us to provide our customers with a stress-free purchase environment. Some used vehicles may have unrepaired safety recalls. Customers may check the recall status by the vehicle identification number (VIN) on the following site: [www.safercar.gov](http://www.safercar.gov). At their own expense, customers are eligible to hire a third party mechanic to perform a pre-sale inspection on the selected vehicle, which can be done on or off the premises.
